

## Call for Nominations for EMS Young Academy 2022

To strengthen the support and integration of the young generation of mathematicians in Europe, the EMS Council in Bled has approved the instalment of an EMS Young Academy (EMYA).

**Each EMS member society/member institute should nominate until September 30, 2022**

two young mathematicians (3<sup>rd</sup> year PhD students up to 5 years after PhD as of January 1, 2023) and submit the nomination together with CV, list of publications and a letter of recommendation to <https://elomake.helsinki.fi/lomakkeet/118729/lomake.html>.

### Immediate Plans for the EMS Young Academy EMYA

- The EMYA Selection Committee selects 30 members for the years 2023-2026 in the fall of 2022.
- The EMYA meets for the first time in late 2022 for a mathematical and institutional meeting.

### Procedures for the EMS Young Academy EMYA

- The EMYA gives itself bylaws and organizational structure.
- The EMYA suggests procedures for the development of the EMS (research plans, workshops, schools, organization, web presentation, publications, etc.).
- The EMYA nominates a candidate for the EMS EC for a two year term. The candidate is elected in competition with the other members-at-large.
- Meetings and activities of the EMYA will be supported with a reasonable budget by the EMS.
